

Assembly Instructions – 141-000023

Lay out all parts in a clean open area allowing for an easier assembly process. We suggest having two people in the assembly process. The tool is included for assembly.

Step 1 / Base

Secure the base to the side frame with screw. Please notice the position of marked number.

Step 2 / Shelf

Put each step on the shelf according to the number on the frame.

Put the top on and secure with screw. Also attach the back to the frame

Step 3 / Finish

Tie fabric into the frame like so. Now the product is finished.
